**Note:** Aurora Cineplex books all events based on a first-come, first-served basis, so please book accordingly. Please note that your movie selection will not be confirmed until the Monday in the week preceding your party and your exact show time will not be available until the Wednesday of the week preceding your party. Due to the ever-changing nature of the movie industry, we cannot guarantee any movie or show time before this time frame. We understand the need for showtimes when sending your invitations. A suggested solution to this challenge: Select the start time of your party and allow at least 3 hours from start to finish (2 hours for the movie and 1 hour for the party area). Once showtimes are set, the details of the party can be arranged. *In order to avoid disappointment, DO NOT send out invitations until you have been directly contacted by our event coordinator and your booking request has been confirmed. Thank you!*
